The Maine Association for Health, Physical Education, Recreation and Dance invites you to attend the 71st Annual MAHPERD Conference held at the Samoset Resort on November 6, 7, 8.

RELEVANT AND CURRENT PROFESSIONAL DEVELOPMENT

Come and enjoy the wide array of sessions and exhibits. As you attend the sessions, we hope you will be inspired to take away something to share with your students, colleagues, and parents. Enjoy the time to network with other professionals, visit with the exhibitors to gather valuable resources. Plan to attend the opening general session and all-conference session to be inspired by our national keynote speakers.

OVER 10 NATIONAL AND INTERNATIONAL SPEAKERS

- Valuable new programs, products and services for health, physical education, recreation and dance
- Instructional and assessment tools for developing physically and health literate individuals
- Modeling of proficiency-based instruction in physical education and health education for all grades
- Learn best practices in curriculum and instruction such as teaching standards-based lessons and implementing a skills-based approach to teaching health education and physical education

New Option: On the conference registration form, participants can indicate if they would like a paper copy of the conference program or if they would like to download an electronic copy of the program from the MAHPERD website.

MONDAY LUNCHEON SPONSORED BY SPORTIME

Join us for Monday lunch **at a reduced price of \$10** and hear the 2 keynote speakers at the all-conference session. Lunch includes salad, entrée, dessert, beverage, tax and gratuity.

NEED CONTACT HOURS/CEUs?

15 Contact hours will be available for all conference participants.

1.5 CEUs from the University of Maine can be earned for those attending the entire MAHPERD Conference!

3 OUTSTANDING KEYNOTE SPEAKERS

Deborah Tackmann
Fall Creek School District, Fall Creek, WI
General Session

Wellness Education in the 21st Century: Are We Ready for the Challenge?

This high-energy presentation will help you understand youth trends in the 21st century, identify essential elements that are necessary for effective school health and physical education as well as motivate and inspire you as a professional educator!

Deborah Tackmann is an exemplary health and physical education teacher and is the only HE/PE teacher that has been inducted into the National Teacher Hall of Fame. Her presentations will make you laugh, make you cry and inspire you to be the best educator you can be.

Jacalyn Lund
Georgia State University, Atlanta, SHAPE America President
All-Conference Session

Fifty Million Strong: Our Profession's Gift to the Nation!

This session will celebrate the things that health and physical education teachers do to make children healthy and active and challenge them to do things differently in the future.

Jacalyn Lund is a professor in the Department of Kinesiology and Health at the Georgia State University and draws on her 16 years of public school teaching experience. She served as president of the National Association for Sport and Physical Education (NASPE), and is the current president of SHAPE America.

Kymm Ballard
Sportime featuring SPARK, Executive Director
All-Conference Session

Legitimized! Now What?

It has been a long time since health education and physical education has been legitimized, equal to other subject areas. But now what? This important advocacy presentation will focus on an overview of the new Federal *Every Student Succeeds Act (ESSA)*, what it means for you and next steps to be taking.

Dr. Kymm Ballard is the HPETE Coordinator at Campbell University as well as the Executive Director of the SPARK programs at Sportime/School Specialty. Previously, Kymm spent 11.5 years as the HPE state director in NC and was a teacher/coach for nearly 10 years.
